Vacancy Announcement

Position	Elementary Art/Values Teacher	Starting Date	2021-2022
-----------------	-------------------------------	----------------------	-----------

Position Summary

RIS Ratchpruek Campus is looking for a teacher to join the elementary teaching team. She/he must be an experienced “certified” teacher, presently working at the elementary level, who demonstrates knowledge of art standards and successful collaboration. In addition, this position requires the ability to teach global values within the framework of service learning.

The position requires cooperation and work with various grade level teams to appropriately integrate art and values into interdisciplinary units of study. The successful teacher will be able to collaboratively design and implement instructional plans, apply knowledge of developmental pedagogy, have clear, positive classroom management skills, contribute and enhance a positive climate of the school community.

Qualifications and Requirements

- A Master’s Degree in Art Education, preferred
- Current certification that includes elementary level art
- Minimum of two years of successful teaching experience
- Knowledge and extensive training in art principles and techniques while encouraging creative expression and nurturing artistic abilities
