

Vacancy Announcement

Position	Lower Elementary Teacher (Kindergarten)	Starting Date	School Year 2021-2022
-----------------	---	----------------------	-----------------------

Position Summary

RIS Ratchapruek Campus seeks enthusiastic and engaging **Lower Elementary Teacher for Kindergarten**, who will lead, inspire, and promote student learning. He/she should be an experienced and certified teacher, presently working at the elementary level. Additionally, he/she should have experience with collaborative curriculum designs and be well versed in unit development using UbD/backward planning. He/she will collaborate with grade level team members, department team members, school leaders, and the curriculum director to ensure that instruction meets the needs of each student.

Qualifications and Requirements

- A Master's Degree in Elementary Education or related fields preferred
- Current teaching certification
- Minimum of two years of successful teaching experience in a K-12 school
- Knowledge and extensive training in 'balanced literacy' and English Language Development preferred
- Able to communicate effectively with students, parents, teachers, and other stakeholders
- Possess a positive "can do" attitude
- Able to differentiate instruction for all learners
- Willing to be an active participant in our collaborative processes
- Proven ability to develop and deliver successful academic programs
- Participated in current and relevant professional development in teaching and learning
- Experienced using technology tools in teaching, including knowledge of Google Suite would be helpful. Google Certified Educators preferred.
- Experience using standards-based assessment, grading, and reporting
- Commitment to developing literacy skills and integrating digital citizenship
- Proven ability to work in a multicultural environment
