Students and parents are welcome to try as many instruments as they like.

A registration fee is applicable.

Practice Routines

Practice routines are expected when learning a musical instrument. A commitment to five practice sessions a week is recommended for successful advancement in the chosen instrument. The student practice diary can be referred to for homework.

WHERE LEARNING AND CREATIVITY LIVE

Examinations

Students wishing to pursue examinations to formally assess skills may arrange this with assistance from their VIP Tutor. Examinations are conducted and moderated externally. Additional fees are payable to the examining body.

Recital Nights and Concerts

Each year, GESS VIP students showcase their instrumental talents to their parents and friends by performing at recital concerts.

Ensembles have the opportunity to also perform in various events.
