The Elementary School Schedule

The Elementary School operates on a seven day schedule. Days are numbered from one to seven in our online calendar, with the first day of school on August 7, 2025 (Thursday) being day 1.

The seven day schedule enables grade level timetables to occur over seven days, avoiding holidays (for example Mondays and Fridays) always impacting the same curriculum areas. A seven day schedule best suits our needs in terms of supporting equality of access to specialist curriculum areas of Art, Music, Filipino Language and Culture, and Physical Education.
